Fig. 1

A technical line drawing of a rectangular frame. The frame is composed of two vertical legs and two horizontal bars. The left vertical leg is connected to a horizontal bar at its top and bottom. The right vertical leg is also connected to horizontal bars at its top and bottom. The top horizontal bars are slightly curved upwards at their ends. The bottom horizontal bars are slightly curved downwards at their ends. The drawing is a simple line representation with no shading or color.

Art. 3050.10

Technical drawing of the Art. 3050.10 door handle assembly. The drawing shows a side view of the handle and a detail of the mounting plate. The mounting plate has a circular hole with a diameter of 27 mm and a square hole with a side length of 27 mm. The distance from the top edge of the plate to the center of the circular hole is 43 mm. The handle is shown in a side view, with a small detail of the handle tip.
