RODS MACHINING

3523.32

3629G.1

A detailed technical cross-section drawing of a vertical window frame assembly. The drawing shows the internal structure, including a central vertical channel with rollers and seals. The frame is composed of multiple layers, with a thick outer profile and a thinner inner profile. The rollers are mounted on a central shaft, and the seals are positioned to provide a tight fit against the glass or sash. The drawing is a black and white line drawing, typical of technical specifications.
