L'EVOLUZIONE INVISIBILE  
THE INVISIBLE EVOLUTION

## WEEN HIDE 180

### Soluzione invisibile per tutti i tipi di apertura

### Invisible solution for all opening types

La nuova **WEEN HIDE 180** è la soluzione di **Master Italy** per sistemi **anta ribalta, battente e vasistas** in grado di soddisfare tutti i requisiti di **portata, estetica, funzionalità e durabilità**.

**WEEN HIDE 180** è la versione più evoluta e performante del **PROGRAMMA WEEN** con un design essenziale dotato di **cerniere a scomparsa con apertura a 180°** utilizzabili per realizzare **tutte le tipologie di apertura**.

Le nuove cerniere HIDE 180 sono progettate per **portate fino a 130 kg con apertura a 180°** ed è possibile arrivare **fino a 150 kg limitando l'apertura**.

Facile e veloce da assemblare grazie al **sistema d'installazione con aggancio rapido dei componenti**. La **qualità dei materiali utilizzati** garantisce durata ed affidabilità del prodotto nel tempo.

Le nouveau **WEEN HIDE 180** est la solution de **Master Italy** pour les **systèmes oscillo-battants, battants et vasistas** capables de satisfaire toutes les exigences de **capacité, d'esthétique, de fonctionnalité et de durabilité**.

**WEEN HIDE 180** est la version la plus avancée et la plus performante du **PROGRAMME WEEN** avec un design essentiel équipé de paumelles cachées avec ouverture à 180° qui peuvent être utilisées pour créer tous les types d'ouverture.

Les nouvelles paumelles HIDE 180 sont conçues pour des capacités **jusqu'à 130 kg avec ouverture à 180°** et il est possible d'atteindre **jusqu'à 150 kg en limitant l'ouverture**.

Montage simple et rapide grâce au système **d'installation avec accouplement rapide des composants**. La **qualité des matériaux utilisés** garantit la durabilité et la fiabilité du produit dans le temps.

The new **WEEN HIDE 180** is **Master Italy's** solution for **tilt and turn, casement and bottom hung opening** capable of satisfying all the requirements of **capacity, aesthetics, functionality and durability**.

**WEEN HIDE 180** is the most advanced and performing version of the **WEEN PROGRAM** with an essential design equipped with **concealed hinges with 180° opening** that can be used to create **all types of opening**.

The new HIDE 180 hinges are designed for capacities **up to 130 kg with opening at 180°** and it is possible to reach **up to 150 kg by limiting the opening**.

Quick and easy to assemble thanks to the **installation system with quick coupling of the components**. The **quality of the materials** used guarantees durability and reliability of the product over time.

La nueva **WEEN HIDE 180** es la solución de **Master Italy** para **sistemas oscilobatientes, batientes y vasistas** capaz de satisfacer todos los requisitos de **capacidad, estética, funcionalidad y durabilidad**.

**WEEN HIDE 180** es la versión más avanzada y eficaz del **PROGRAMA WEEN** con un diseño esencial equipado con **bisagras ocultas con apertura de 180°** que se puede utilizar para crear **todo tipo de apertura**.

Las nuevas bisagras HIDE 180 están diseñadas para capacidades de **hasta 130 kg con apertura a 180°** y es posible llegar hasta **150 kg limitando la apertura**.

Rápido y fácil de montar gracias al sistema de **instalación con enganche rápido de los componentes**. La **calidad de los materiales** utilizados garantiza la durabilidad y fiabilidad del producto a lo largo del tiempo.
